Hi Kzoo Team!

I just wanted to check in – I have an earth day event in Kzoo next week and I am having my contractor mock up a map for me (see attached)

I'd like to add some overall stats to the upper right corner – do you think I'll be able to plug in some info from the spreadsheet I sent to you (same as attached)? Sheila has already sent me the following:

There was an Emergency Response in 2008 at the former Plainwell Paper Mill Banks which was conducted with the Plainwell Impoundment Time Critical Removal Action (2007/2008). It doesn't look like either is on your list. The Based on the Consent Decree, the Plainwell Paper Mill banks are not considered part of OU7.

Thanks for any help guys!
